**PETITION TO ADOPT CONDITIONS TO
AUTHORIZATIONS AND LICENSES**

The United States Department of Justice ("DOJ"), including the Federal Bureau of Investigation ("FBI"), together with the United States Department of Homeland Security ("DHS") (collectively, the "Agencies"), respectfully submit this Petition to Adopt Conditions to Authorizations and Licenses ("Petition"), pursuant to Section 1.41 of the Federal Communications Commission's ("FCC" or "Commission") rules.¹ Through this Petition, the Agencies advise the Commission that they have no objection to the Commission granting its consent in the above-referenced proceeding, provided that the Commission conditions the grant on iBasis, Inc. ("iBasis") and KPN Telecom B.V., LLC ("KPN") (together, the "Applicants") abiding by the commitments and undertakings contained in their August 16, 2006 letter to Sigal P. Mandelker, Paul Rosenzweig, and Elaine N. Lammert (the "Letter") attached hereto as Exhibit I.

¹ 47 C.F.R. § 1.41.

In the above-captioned proceedings, iBasis and KPN propose to transfer control of iBasis to KPN. iBasis and KPN have filed a joint application with the FCC seeking consent for the transfer of control of iBasis control, holder of domestic and international Section 214 authority, to KPN.²

As the Commission is aware, the Agencies have taken the position that their ability to satisfy their obligations to protect the national security, enforce the laws, and preserve the safety of the public could be impaired by transactions in which foreign entities will own or operate a part of the U.S. telecommunications system, or in which foreign-located facilities will be used to provide domestic telecommunications services to U.S. customers. After discussions with the Applicants' representatives in connection with the proposed acquisition of iBasis by KPN, and based on the particular facts and circumstances of the transaction, the Agencies have concluded that the commitments set forth in the Letter will help ensure that the Agencies and other entities with responsibility for enforcing the law, protecting the national security, and preserving public safety can proceed in a legal, secure, and confidential manner to satisfy these responsibilities. Accordingly, the Agencies hereby advise the Commission that they have no objection to the Commission granting the above-referenced Applications, provided that the Commission conditions its consent on compliance by the Applicants with the commitments set forth in the Letter.
